Exhibitors are requested to read these conditions carefully.

1. It is essential for the smooth running of the Show that entries for all sections be lodged, with the entry fees, with the secretary on or before the dates as shown at the heading of the respective sections. The committee may accept late entries at their discretion.
2. Exhibits in all classes must be the bona fide work of the exhibitor.
3. Entries must be accompanied by the entrance fee as specified in the schedule, otherwise they will not be accepted, and nomination fee will not be refunded.
4. No person shall be allowed in the vicinity of the judge during judging time, other than the stewards and attendants actually in charge of stock. No person will be allowed to communicate with the judges other than through a steward.
5. On receipt of entries, the Secretary will issue exhibit tickets which must be the only sign of ownership attached to each exhibit and such ticket shall accompany exhibits. Exhibit tickets for livestock exhibits may be held by the stewards at their discretion and issued when exhibits are being penned.
6. No person shall act as judge except the cases in which he himself is not an exhibitor.
7. Judges may withhold prizes and championship honours if they think it expedient.
8. The decision of the judges shall be final.
9. The committee reserves the right to withhold or modify any prize or prizes should there be three or less individual competitors in any class or event.
10. Prize ribbons and tickets shall be affixed to exhibits as soon as the judges have made their awards.
11. All horses and ponies exhibited at the show shall be paraded in the Grand Parade, at a day and time to be decided by the committee. No ribbons other than those won at the Society's current Show are to be worn or displayed.
12. Every care of the exhibits will be taken, but the Society will not be responsible for any losses or death, and exhibits must be brought to and removed from the grounds by the exhibitor.
13. Exhibits must be delivered to Showgrounds in the manner and time prescribed at the heading of each section. Non-compliance with this provision will result in non-acceptance of the exhibits and forfeiture of the entry fees.
14. Prize money will be paid out by the Chief Steward in the pavilion sections, or at the Secretary's Office, but prize money unclaimed or cheques not presented within three months of the Show will revert to the secretary.
15. Judges or stewards may transfer any exhibit from any one class to another.
16. The right is reserved to reject any exhibit/s which may be considered not of sufficient merit to be displayed.
17. The Society reserves the right to adjudicate on any point or points which may be under dispute, and the society's decision shall be final.
18. Notwithstanding anything contained in the rules and conditions, the committee may, at their discretion, alter any condition, cancel or substitute and/or any event or class in the schedule if they consider it necessary to do so.
19. Competitors in ring events must have their horses in the assembly yard not later than 15 minutes prior to the commencement of the event. Any exhibitor not being present with his/her horse at the time of roll call, which will take place five minutes before the commencement of the event will not be permitted to compete in such event. After the roll call the steward in charge of the assembly yard will advise the ringmaster of the number of competitors present and ready to compete in the event about to take place.

20. Galloways or ponies in any class for which a prescribed height is a condition, must be measured by the official measurer. The official measurer will be in attendance at the showgrounds from 3.00pm to 5.00pm on the day prior to the Show. When measuring a Galloway or pony an allowance of half (1/2) of an inch (or 13mm) is to be made for shoes.
